

HVAC Tune Up Rebate Application

New Rebate Levels - Effective April 1, 2011

The FirstEnergy HVAC Program provides rebates for maintenance tune ups of HVAC equipment to Pennsylvania residential customers of Met-Ed, Penelec and Penn Power, FirstEnergy's utilities (FirstEnergy). This service must be provided by a participating contractor and must meet all program requirements.

Please complete this application and mail it to the address provided below along with:

- a dated sales receipt from a participating contractor,
- a manufacturer's specification sheet illustrating the model number and efficiency performance rating if an ECM furnace fan replacement is installed.

Mail to: FirstEnergy PA - HVAC Program

c/o Honeywell · 145 Route 46 West · Wayne, NJ 07470

(Please do not send this form with your utility bill payment)

<p>General Terms and Conditions</p> <ol style="list-style-type: none"> Service performed between April 1, 2011 and May 31, 2013 are eligible for a tune up rebate amount of \$60 or \$75 if an Electronically Commutated Motor (ECM) fan was replaced as part of the tune up. Service performed between October 28, 2009 and March 31, 2011 are eligible for a tune up rebate amount of \$25 or \$40 if an ECM fan was replaced as part of the tune up. Applications must be postmarked by June 7, 2013. Customer is eligible for one tune up per unit during the program time period as described in paragraphs 1 and 2 above. Please submit one rebate application form per unit. Work must be completed by a participating contractor. Rebates are available for Pennsylvania residential customers of Met-Ed, Penelec and Penn Power, FirstEnergy's utilities (FirstEnergy). It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of service. The dated sales receipt must match the date of service listed on the HVAC tune up rebate application form. Program procedures, requirements and rebate levels are subject to change or cancellation without notice. FirstEnergy and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate. One rebate check will be issued to the account holder on record. Please allow up to 90 days from the date all required information is received to process your rebate. Service must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate. FirstEnergy assumes no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor. The customer hereby agrees to indemnify, defend and hold harmless FirstEnergy from any and all liability associated with this project. I understand that I may be contacted by FirstEnergy via survey or questionnaire to provide feedback on my satisfaction with the program. 			
By signing this application, I agree to the terms and conditions of this document. I understand FirstEnergy reserves the right to audit my rebate application and if requested, will allow a FirstEnergy representative reasonable access to verify the installation of qualifying products.
