

## HVAC Equipment Rebate Application

The FirstEnergy Residential HVAC Program provides rebates for the installation of high-efficiency HVAC equipment to customers of FirstEnergy's Pennsylvania electric utilities - Met-Ed, Penelec and Penn Power. This equipment must be installed by a participating contractor and must meet all program requirements.

**Please complete this application and mail it to the address provided below along with:**

- 1) a dated sales receipt from a participating contractor
- 2) an AHRI certificate including model number and efficiency performance rating

**Mail to: FirstEnergy Residential HVAC Program**

c/o Honeywell · 145 Route 46 West · Wayne, NJ 07470

(Please do not send this form with your utility bill payment)

## HVAC Equipment Rebate Application

Participating contractor should complete this side of application.

The following list of energy-saving measures have been evaluated and qualified to meet the minimum qualifying standards. Please ensure that the product meets the standards in the HVAC Energy Efficiency Systems table below. If you have any questions, please call **866-498-1409** or visit **www.energysavePA.com**.

**Required documentation shall include:** a dated sales receipt along with an AHRI certificate including model number and efficiency performance ratings. Incomplete information will delay or disqualify your rebate.

### HVAC Energy Efficiency Systems

Measure	Rebate Amount	Minimum Efficiency Requirement	Manufacturer	Condenser Model No. Outside Unit	Condenser Serial No. Outside Unit	Coil Model No. Inside Unit	AHRI Reference No.
Central Air Conditioning	\$150	SEER >= 14.5 EER >= 12
