FirstEnergy Rebate Requirements

General Program Requirements

- Applicant must be a residential customer of Met-Ed, Penelec or Penn Power, FirstEnergy's Pennsylvania utilities.
- Rebate valid for qualified household products purchased beginning October 28, 2009 through May 31, 2013. Rebate must be postmarked by June 7, 2013.
- Rebate application must include valid customer account number, brand, purchase price, and store name.
- Rebate application must be accompanied by proof of purchase including product specific requirements mentioned below. (legible copy of dated and itemized sales receipt)
- Household products must be used at the service address on customer's account within the service territories of Met-Ed, Penelec or Penn Power.
- Payment will be mailed to the account holder and address on record.
- Rebates are subject to available program funds.
- No warranties or endorsements of any manufacturer or product are provided.

Product Specific Requirements

Energy-Saving Surge Protectors

- The energy-saving surge protector must have one primary outlet that controls a minimum of four secondary outlets with a sensor that tracks when an appliance is on, off or asleep.
- USB interfacing surge protectors do not qualify for the rebate.
- A photocopy or portion of the packaging illustrating the brand and proof of primary outlet with a minimum of four secondary outlets is required to qualify for the rebate.

Torchiere Floor Lamps

- Must be listed by the EPA as ENERGY STAR qualified.
- A photocopy of the instruction manual (cover only) or portion of the packaging illustrating the product number and ENERGY STAR label is required to qualify for the rebate.

LED Holiday Light Sets

- Must be listed by the EPA as ENERGY STAR qualified.
- LED holiday light sets are limited to six per customer.
- A photocopy or portion of the packaging illustrating the brand and proof of LED is required to qualify for the rebate.

Return completed application form, with dated sales receipt, and proof of purchase to:
