

Residential Energy Audit Program

Rebate Application Form

The Residential Energy Audit Program provides rebates for diagnostic audits and installation of energy-saving products to Pennsylvania residential customers of Met-Ed, Penelec, Penn Power and West Penn Power. The diagnostic audits and installation of energy-saving products must be completed by a participating contractor and must meet all program requirements.

Rebate Submission Instructions: Please complete this application with the help of a participating contractor. The participating contractor will submit the application for processing.

General Terms and Conditions

- Products and services must be purchased and installed between June 1, 2016, and May 31, 2021. Rebate applications must be postmarked by June 7, 2021.
- Please submit one application form for the energy audit rebate within 30 days of the audit and one application form for the completed major measures rebate within 90 days of the completion of major measures installations or date of a blower door test, if air sealing was performed. Installation of major measures must be completed within 180 days from the date of the energy audit.
- Work must be completed by a participating contractor.
- Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
- Applicants who pay less than the \$250 rebate amount for the residential energy audit will receive the amount they paid for the audit if the minimum kWh savings is achieved through direct installs and audit-recommended measures.
- It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application.
- Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of purchase.
- FirstEnergy's Pennsylvania utilities and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
- Payment will be issued to the account holder and mailing address on record with the utility.
- Please allow up to 90 days from the date all required information is received to process your rebate(s).
- Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
- You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
- FirstEnergy's Pennsylvania utilities and GoodCents SolutionsTM, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
- The customer hereby agrees to indemnify, defend and hold harmless FirstEnergy's Pennsylvania utilities, their parents, subsidiaries, employees, affiliates and agents from any and all liability associated with this project.
- I understand that I may be contacted by FirstEnergy's Pennsylvania utilities via survey or questionnaire to provide feedback on my satisfaction with the program.

The costs of energy efficiency programs are recovered through customer rates in accordance with Pennsylvania Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com.
