Customer bonus incentives will be offered on eligible electric heat pumps and water heaters that are purchased and installed between October 1, 2017, and March 31, 2018. Heat pump water heater rebate applications must be postmarked or submitted online within 180 days of purchase. Air source heat pump, geothermal heat pump, and solar thermal water heater rebate applications must be postmarked or submitted online within 180 days of installation. Bonus rebates are subject to cancellation at any time based on available funding. The costs of energy efficiency programs are recovered through customer rates in accordance with Pennsylvania Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com.
