## FirstEnergy's Pennsylvania Utilities Rebate Requirements

1. Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
2. Rebates are available for qualified programmable or smart thermostats purchased in stores or online between June 1, 2016 and May 31, 2021. All rebate applications must be postmarked or submitted online by June 7, 2021 at [energysavePA-home.com/thermostat](http://energysavePA-home.com/thermostat).
3. Rebate application with valid customer account number must be accompanied by a **legible copy of the paid itemized sales receipt showing proof of purchase that includes manufacturer, model number, store/contractor name, purchase price, and date of purchase.**
4. The rebate is available for the purchase or direct installation of a programmable or smart thermostat and must replace a non-programmable thermostat or be a new installation where there was no previous thermostat.
5. Payment will be issued to the account holder with the utility via Digital Mastercard® to the email on record or via physical card to the mailing address on record.
6. Please allow up to 90 days from the date all required information is received to process your rebate. **For the fastest rebate possible, submit your rebate application online at [energysavePA-home.com/thermostat](http://energysavePA-home.com/thermostat).**
7. All rebated products must be used at the service (install) address specified on the rebate application.
8. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
9. FirstEnergy's Pennsylvania utilities and/or their designees including program administrators do not endorse any manufacturer or product as part of this program.
10. The costs of this program may be recovered through customer rates in accordance with Pennsylvania law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit [energysavePA.com](http://energysavePA.com).
11. By submitting this FirstEnergy's Pennsylvania utilities rebate application, you acknowledge and agree to the rebate requirements found on this rebate form.
12. Applicants who pay less than the \$25 rebate amount for the programmable or smart thermostat will receive a rebate for the amount paid.
13. By submitting this rebate application, you acknowledge FirstEnergy's utilities right to audit this application and if requested, you will allow a representative from FirstEnergy's utilities reasonable access to verify installation of qualifying product(s).
14. By participating in FirstEnergy's Pennsylvania utilities' Energy Efficiency and Conservation (EE&C) programs, participants hereby assign and transfer ownership of any Energy Efficiency resource credits and capacity resulting from their project(s) to their local utility (Met-Ed, Penelec, Penn Power or West Penn Power) for the purpose of offering these resources into the markets operated by PJM Interconnection, Inc. (PJM).

Return completed application form and dated sales receipt showing proof of purchase to avoid delays in rebate processing to:
