FirstEnergy's Pennsylvania Utilities Rebate Requirements

- Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
- Rebate applications are valid for qualified appliances purchased between June 1, 2016, and May 31, 2021.
- Rebate application must be submitted within **180 days** of purchase or installation and be postmarked by June 7, 2021.
- The rebate is available for the purchase or direct installation of a programmable or smart thermostat and must replace a non-programmable thermostat or be a new installation where there was no previous thermostat.
- Rebate application with valid customer account number must be accompanied by a **legible copy of the paid itemized sales receipt showing proof of purchase that includes manufacturer, model number, serial number, store/contractor name, purchase price, and date of purchase.**
- Payment will be issued to the account holder and mailing address on record with the utility, and may be issued via VISA gift card.
- Please allow up to 90 days from the date all required information is received to process your rebate.
- All rebated products must be used at the service (install) address specified on the rebate application.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
- FirstEnergy's Pennsylvania utilities and/or their designees including program administrators do not endorse any manufacturer or product as part of this program.
- By submitting this rebate form, you acknowledge FirstEnergy's utilities right to audit this application and if requested, you will allow a representative from FirstEnergy's utilities reasonable access to verify the installation of qualifying product(s)
- Applicants who pay less than the \$25 rebate amount for the programmable thermostat will receive a rebate for the amount paid.
- By submitting this FirstEnergy's Pennsylvania utilities rebate application and providing your telephone number, you agree to be contacted and receive autodialed calls and/or pre-recorded messages at that number (including if that number is a wireless number) on behalf of FirstEnergy regarding your rebate application.

The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit energysavePA.com.
