

HVAC Maintenance Rebate Application

The HVAC Program provides rebates to Pennsylvania residential customers of Met-Ed, Penelec, Penn Power and West Penn Power for maintenance tune ups of HVAC equipment. This service must be completed by a participating contractor and must meet all program requirements. Customers are eligible for one rebate per unit every 7 years dating back to October 28, 2009.

Please complete this application and mail it to the address provided below along with:

- 1) A sales receipt or contractor work order which reflects the type of service performed (must be dated between June 1, 2016, and May 31, 2021), and
- 2) A manufacturer's specification sheet illustrating the ECM model number if replacing existing fan motor.

Maintenance Terms and Conditions

1. Service must be performed between June 1, 2016, and May 31, 2021.
2. HVAC units are eligible for one maintenance rebate per unit every 7 calendar years dating back to October 28, 2009.
3. Rebate application must be submitted within **180 days** of service and be postmarked by June 7, 2021. Must submit one rebate application form per unit.
4. Work should be completed by a participating contractor. All installations are subject to an on site quality assurance visit.
5. Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
6. It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application.
7. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of service.
8. The dated sales receipt must match the date of service listed on the HVAC maintenance rebate application form.
9. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
10. FirstEnergy's Pennsylvania utilities and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
11. Payment will be issued to the account holder and mailing address on record with the utility.
12. Please allow up to 90 days from the date all required information is received to process your rebate.
13. Service must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
14. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
15. FirstEnergy's Pennsylvania utilities and Honeywell International, Inc., their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
16. The customer hereby agrees to indemnify, defend and hold harmless FirstEnergy's Pennsylvania utilities, their parents, subsidiaries, employees, affiliates and agents from any and all liability associated with this project.
17. I understand that I may be contacted by FirstEnergy's Pennsylvania utilities via survey or questionnaire to provide feedback on my satisfaction with the program.
18. By submitting this application, customer agrees to the terms and conditions of this document and certify that the information I have provided is true and accurate.
19. By submitting this FirstEnergy's Pennsylvania utilities rebate application and providing your telephone number, you agree to be contacted and receive autodialed calls and/or pre-recorded messages at that number (including if that number is a wireless number) on behalf of FirstEnergy regarding your rebate application.
