

HVAC Equipment Rebate Application

The HVAC Program provides rebates for the installation of high-efficiency HVAC equipment to Pennsylvania residential customers of Met-Ed, Penelec, Penn Power and West Penn Power. This equipment must be installed by a participating contractor and must meet all program requirements. Please submit one application per outdoor unit.

Please complete this application and mail it to the address provided below along with:

- 1) A sales receipt indicating the type of equipment, installation date, purchase price, model and serial numbers, (must be dated between June 1, 2016 and May 31, 2021), and
- 2) An AHRI* certificate including unit model number, capacity and efficiency performance ratings. All minimum efficiency ratings must be met to qualify for a rebate.
- 3) For Furnace Fan Motor rebate, please include a copy of the manufacturer's specification sheet.

Total Rebate \$

Contractor's Name: _____ Signature: _____ Date: _____

- HVAC Equipment Terms and Conditions**
- Equipment and services must be purchased and installed between June 1, 2016, and May 31, 2021.
 - Rebate application must be submitted within **180 days** of installation and be postmarked by June 7, 2021. **Must submit one rebate application form per unit.**
 - Work must be completed by a participating contractor.
 - Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
 - It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application.
 - Rebate payments are based on the equipment installation date. Customers must abide by the rules and rebate levels in effect on the date of installation. Rebate levels cannot exceed the cost of the equipment.
 - Purchase must be of a qualified high-efficiency electric central air conditioner, heat pump, geothermal heat pump or ductless mini split heat pump as defined in the table on this rebate application form. Both the condenser and coil / indoor unit must be replaced and installed as a matched set as defined by AHRI.
 - The efficiency levels are based on the Air-conditioning, Heating, Refrigeration Institute (AHRI) certified performance criteria of an outdoor unit and indoor coil (and/or furnace/blower) working together. These ratings are found on the AHRI directory.org website. All ENERGY STAR-certified equipment must be listed at energy.gov in order to participate in this program. Both the outdoor unit and coil / indoor unit must be replaced and installed as a matched set.
 - FirstEnergy's Pennsylvania utilities and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
 - Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
 - Payment will be issued to the account holder and mailing address on record with the utility, and may be issued via VISA gift card.
 - Please allow up to 90 days from the date all required information is received to process your rebate(s).
 - Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
 - You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
 - FirstEnergy's Pennsylvania utilities and Honeywell International, Inc., their parents, subsidiaries, affiliates, officers, employees, contractors and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
 - The customer hereby agrees to indemnify, defend and hold harmless, FirstEnergy's Pennsylvania utilities, their parents, subsidiaries, affiliates, officers, employees, contractors and agents from any and all liability associated with this project.
 - I understand that I may be contacted by FirstEnergy's Pennsylvania utilities via survey or questionnaire to provide feedback on my satisfaction with the program.
 - By submitting this application, customer agrees to the terms and conditions of this document and certify that the information I have provided is true and accurate.
 - By submitting this FirstEnergy's Pennsylvania utilities rebate application and providing your telephone number, you agree to be contacted and receive autodialed calls and/or pre-recorded messages at that number (including if that number is a wireless number) on behalf of FirstEnergy regarding your rebate application.

*The Air-Conditioning, Heating and Refrigeration Institute (AHRI) maintains a directory of certified product performance for HVAC equipment.
